

Vocation Prayer for Permanent Deacons

"We humbly appeal to our still speaking God!"

Oh Lord of great majesty, we give you thanks for the joy of your mercy.

In this present moment,

We pray for those who are called to be permanent deacons, such that, the church can respond to the many that are hungry for hope and thirst for righteousness.

We pray that they might hear your quiet voice, and are moved by your calm call, to humbly serve those most in need.

We pray that their response is not only in some distant future but right now in moments unknown and people unseen.

With faith we pray that your Holy Whirlwind might shake and stir their inner spirit so they might come to recognize their vocation. Inspire them Lord to hear, to listen, to discern and to act.

With joy we say, Amen.
